

Indian River Transport Company - Security Models

The two buttons below are for two different, major operations.

If you desire to create an entirely new Security Model within the umbrella of this Trade Account, click on Apply to C-TPAT.

If you desire to conduct an operation on an already existing Security Model, click on the Manage C-TPAT Security Models button. This includes Expand, Merge, Split, Duplicate, and Extract options. For more details on these model operations see page four of the C-TPAT Portal 2.0 Trade User Manual on cbp.gov/ctpat.
